

**12.8V100Ah**      **LiFePO4**  
 Lithium Battery for Storage Storage      Performance 3 months Long Life Storage Cycle

---

Storage: 0% ~ 100% (nominal voltage) 12.8V (20°C)  
 Charge Voltage: 14.6V ~ 14.8V (at 25°C)  
 Discharge Cut-Off: 10.5V (at 25°C)

**SAFETY WARNING:**  
 Read all the symbols on the case.  
 Do not short circuit, open flame, or heat.  
 Do not overcharge, over discharge, or overcurrent.

CE     

 **LFP 12V 100Ah**

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Our battery storage cabinets are constructed with a. The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, 215kWh, 225kWh, 241kWh, etc. Sustainable, high-efficiency energy storage solutions. It is a unified power supply platform system that supports various AC and DC input and output formats, meeting different power input and output requirements. It is built specifically for outdoor installation and integrates advanced LiFePO<sub>4</sub> battery. With SynVista's manufacturing and integration capabilities of source-grid DC energy storage systems as the core, combined with a professional technical team and advanced digital platform.

## Article Content

250kW/500kWh Outdoor Cabinet Energy Storage System ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the ...

100kwh 215kwh air cooled energy storage system outdoor cabinet

Unleash peak performance and unparalleled security with our Air-cooled Energy Storage System. This modular powerhouse seamlessly integrates AI-powered intelligence for optimized operation and ...

ESS-GRID Cabinet Brochure EN-250106

The ESS-GRID Cabinet series are outdoor battery cabinets for small-scale commercial and industrial energy storage, with four different capacity options based on different cell compositions, 200kWh, ...

Outdoor Photovoltaic Energy Cabinet

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO<sub>4</sub> batteries with high thermal stability, extensive cycle ...

Outdoor Photovoltaic Energy Cabinet, Base Station Energy Storage ...

Highjoule's Outdoor Photovoltaic Energy Cabinet and Base Station Energy Storage systems deliver reliable, weather-resistant solar power for telecom, remote sites, and microgrids.

100kwh 215kwh air cooled energy storage system ...

Unleash peak performance and unparalleled security with our Air-cooled Energy Storage System. This modular powerhouse seamlessly integrates AI-powered ...

Photovoltaic Micro-station Energy Cabinet

Provides remote on/off control of each output branch and multi-source inputs (PV, wind, AC, 12V, etc.) for power management flexibility. The Photovoltaic Micro-Station Energy Cabinet is a hybrid power ...

Photovoltaic Outdoor Energy Storage Cabinet Three-Phase 2025 ...

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet.

Outdoor Energy Cabinet Photovoltaic

The outdoor photovoltaic energy cabinet can provide reliable monitoring systems, photovoltaic, and battery systems. It is a unified power supply platform system that supports various AC and DC input ...

Outdoor Energy Storage Cabinet: 105KW/215KWh All-in-One ...

Whether retrofitting existing infrastructure or building a decentralized energy network, this cabinet empowers businesses to cut costs, enhance sustainability, and ensure uninterrupted power.

High-Performance DC Cabinet for Energy Storage

DC Cabinet is an advanced liquid-cooled outdoor energy storage cabinet designed to support 200+ kW applications with rapid deployment and a minimal footprint, renowned as its integrated safety features.
