

5kw solar system with battery in malta

Overview

Under the 2025 schemes, you can receive up to €10,200 in grants for installing a new photovoltaic system with a hybrid inverter and battery storage. These grants cover up to 80% of eligible costs, making solar energy more accessible than ever. Malta's premier solar battery solution for complete home energy independence. Experience unparalleled safety with our multi-layered protection system, featuring industrial-grade LiFePO4 batteries. At Renewable Living, we provide advanced solar battery systems that not only store the energy generated by your solar panels during the day but also ensure that your home or business stays powered even when the sun goes down. Our battery systems deliver both energy storage and backup solutions. At Solar Solutions Ltd, we can assist in the design and implementation of both on-grid and off-grid photovoltaic (PV) systems. Working with quality suppliers, our aim is to ensure that our clients are provided with a system that is best suited to their unique needs.
