

## Bidding price for outdoor telecom cabinets for water plants

### Overview

Prices for outdoor telecom cabinets as of 2025 can run anywhere from \$900 to \$5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. What is an outdoor telecom cabinet?

Before jumping into costs, let's clarify what we are. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment.
