

Chisinau large capacity solar battery cabinet manufacturer

Overview

We are a factory specialising in the field of solar inverter and solar energy storage system. Chisage ESS prioritizes innovation and reliability, committed to delivering top-tier solutions to our customers. Constructed with long-lasting materials and sophisticated technologies inside. These cabinets are designed to ensure the safe and efficient operation of solar batteries, which store the electrical energy generated by solar panels for later use. The all-in-one air-cooled ESS cabinet integrates long-life battery, efficient bidirectional-balancing BMS.
