

Large-capacity outdoor telecom cabinets for research stations

Overview

These outdoor cabinets are robust, durable and corrosion-resistant electrical enclosures that can suit all environmental conditions. To ensure optimal functionality, it is essential to follow certain do's and don'ts during the integration process.

Mechanical security. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. The WOD-62DXC NEMA enclosure (63"H x 32"W x 30"D, 33 RU) is a heavy-duty, all-weather solution designed for telecom and mission critical applications. Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite.
