

KKA Industrial Storage

Manufacturer of large-scale energy storage cabinet for ports

Overview

As a Tier-1 energy storage factory, we specialize in high-performance Commercial & Industrial (C&I) Battery Cabinets. Our modular systems range from 100kWh to 522kWh, specifically engineered for factory peak shaving, micro-grids, and robust backup power. ABB's Containerized Energy Storage System is a complete, self-contained battery solution for a large-scale marine energy storage. Available for. At EPC Energy, we offer more than just energy storage products — we provide comprehensive solutions designed to ensure the success and smooth operation of your projects. Our product packages include not only state-of-the-art battery energy storage systems but also expert engineering services to. Delta's energy storage solutions include the All-in-One series, which integrates batteries, transformers, control systems, and switchgear into cabinet or container solutions for grid and C&I applications. Explore reliable, efficient, and customizable BESS cabinets today! No product is being compare. We have a strong R&D team, many of whom have previously worked at Huawei and BYD, with rich expertise in new energy.
