

Outdoor telecom cabinet ultra-large capacity cost-effectiveness

Overview

Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite mounting platforms and modular series cabinets. Modular capability helps future proof your networks so infrastructure can easily grow over time. The WOD-62DXC NEMA enclosure (63"H x 32"W x 30"D, 33 RU) is a heavy-duty, all-weather solution designed for telecom and mission critical applications. Built from AlumiFlex®, a lightweight yet durable material, it provides steel-like strength to support the heaviest equipment. Available in NEMA 3R. The market for outdoor telecom cabinets was valued at USD 5.1 billion in 2024 and is projected to reach USD 8. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets.
