

Outdoor telecom cabinets for steel plants price inquiry

Overview

Contact our team to discuss your requirements, or request a quote for your specific outdoor telecom cabinet needs today. What NEMA ratings do your outdoor telecom enclosures meet?

Are your outdoor telecom cabinets BABA and BEAD-compliant?

What applications. KDM's outdoor telecom enclosures are weatherproof, rainproof, waterproof, sun-proof, and dustproof cabinets with IP ratings of IP55 up to IP67 ratings and NEMA standards of 3R up to 6. They have adjustable rack sizes and spacing, a 3 and 4-point locking system, and solar caps to manage heat loads. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions. These telecommunications enclosures are constructed with robust materials such as galvanized iron, aluminum, or stainless steel to ensure durability. The AZE is a leading outdoor rated, NEMA types outdoor industrial, electrical or telecom enclosure manufacturer in China, we can manufacture all types of outdoor enclosure and cabinet based on your requirement.
