

Payment for 50kW IP54 outdoor photovoltaic cabinet

Overview

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C&I energy storage and microgrid applications. Individual pricing for large scale projects and wholesale demands is available. What's included inside the integrated cabinet?

The integrated cabinet includes LFP batteries, 50kW PCS, EMS, fire protection, AC/DC distribution, air cooling. HBOWA PV energy storage systems offer multiple power and capacity options, with standard models available in 20KW 50KWh, 30KW 60KWh, and 50KW 107KWh configurations. You can add many battery modules according to your actual needs for customization. This energy storage cabinet is a PV energy storage. This outdoor energy storage cabinet integrates energy storage batteries, modular PCS, energy management monitoring system, power distribution system, environmental control system, and fire control system. The battery cabinet has 2*50KWH (51. We have the ability to provide customized design and supporting capabilities for various solar systems, such as commercial and home off-grid solar systems, hybrid solar systems.
