

Power storage battery exhibition

Overview

Held from August 8th to 10th in Guangzhou, WBE 2024 spanned 100,000 sq. m, and featured 1,205 exhibiting companies from 14 countries (Including 476 cells, packs & energy storage exhibitors), hosting notable names like BYD, EVE, Great Power, GOTION HIGH-TECH, Tianneng . The 18th China International Battery Fair (CIBF2026), organized by the China Industrial Association of Power Sources and undertaken by CETC Tianjin New Energy Research Institute Co., is scheduled to be held at the Shenzhen World Exhibition and Convention Center from May 13 to 15, 2026. With. This exhibition features dedicated zones and conferences to discuss energy storage development under the new power system, advancing smart energy construction EESA regularly engages with booming markets in Middle East, Indonesia, Europe and UN agencies, providing year-round overseas roadshow. Committed to promoting global market trade and battery industrial chain, World Battery & Energy Storage Industry Expo 2026 has developed into a professional exhibition with the largest number of exhibitors in battery enterprises and the highest participation of professional visitors and foreign. 33rd Shanghai International Energy Storage Technology Application Expo will take place from 3 to 5 December 2026 at the Shanghai New International Expo Center. Co-hosted with EP Shanghai, the event is one of China's most influential gatherings for the power and energy industries. Covering 86,000. Everything you need for a successful exhibition participation – from application options to organizing and planning your exhibition appearance. From market trends and industry news to media assets – we've got you covered.

Article Content

Shanghai International Energy Storage Technology Application Expo ...

33rd Shanghai International Energy Storage Technology Application Expo will take place from 3 to 5 December 2026 at the Shanghai New International Expo Center. Co-hosted with EP Shanghai, the ...

Power Storage Technology Exhibitions 2025: Key Themes and ...

Ever wondered where the energy storage industry gets its adrenaline rush? Look no further than global exhibitions like CESC2025 in Nanjing and CIES2025 in Hangzhou.

CBTC 2025 China International Energy Storage and Lithium ...

The Energy Storage Technology Exhibition Zone will display various types of energy storage batteries, including nickel-metal hydride, lithium-ion, supercapacitors, and more.

EESA Energy Storage Exhibition | 5th China International Energy Storage ...

EESA Energy Storage Exhibition is organized by Energy Storage Leaders Alliance. The 5th EESA will be held at National Exhibition and Convention Center (Shanghai) from November 24-26, 2026.

Battery & Energy Storage Trade Shows, Expos, Exhibitions, Fairs, and ...

Explore Battery & Energy Storage events in our calendar. Access in-depth information about an event, discover venue details, and check agendas. Get exhibitor information and full ...

Energy Storage South

Explore published content from Energy Storage South, featuring expert insights, market trends, and technological advancements in energy storage, battery systems, and sustainable power solutions ...

World Battery & Energy Storage Industry Expo 2026: Guangzhou

Held from August 8th to 10th in Guangzhou, WBE 2024 spanned 100,000 sq.m, and featured 1,205 exhibiting companies from 14 countries (Including 476 cells, packs & energy storage ...

China International Battery Fair

China International Battery Fair (CIBF) is an international meeting and the biggest exhibition activity on battery industry, which is sponsored by China Industrial Association of Power Sources.

World Battery & Energy Storage Industry Expo 2026: Guangzhou

Battery (Cell & Pack): World Battery & Energy Storage Industry Expo 2025
Energy Storage Technology Battery Accessory and Material Battery Equipment: World Battery & Energy Storage Industry Expo 2025
Solid-State Battery Supercapacitor: World Battery & Energy Storage Industry Expo 2025
Battery Swapping and Charging Facilities Hydrogenic Energy and Hydrogen Fuel Cell Various hybrid supercapacitors, stacked supercapacitors in the field of industrial electronics, consumer electronics, transportation and communication, green energy etc..
Manufacturing equipment, testing devices, experimental instrument. See more on 2exhibitions expolume

Shanghai International Energy Storage Technology ...

33rd Shanghai International Energy Storage Technology Application Expo will take place from 3 to 5 December 2026 at the Shanghai New ...

ees Europe - Home

Discover key BESS trends, market impacts, and what to expect for large-scale storage in 2026. FPAs help hedge price risks, secure revenues and enable financing of large-scale battery energy storage ...

The Battery Show North America Event

Join North America's leading advanced battery tech event in Detroit, Oct 6-9, 2025. Network with industry leaders and explore innovations in battery manufacturing.
