

Rack-mounted warranty for remote areas

Overview

View warranty information, lifespan details, and daisy-chaining. Our racks and rack-accessories* carry a limited life-time warranty. Superior craftsmanship and excellent quality control allow us to assure our customers they can rely on our products to serve them for years on end. * Accessories made out of metal, excluding electrical accessories. Standard. What is the typical warranty?

Our rack PDUs have a standard 24 month warranty, but if you register your product the standard warranty is extended to 36 months. This is the most advanced system for remote. Create your own configurations with our online design tool, available to you 24/7. When you're ready to purchase your designs, order directly from our tool. New racks and accessories will be added each week! Use the LundHalsey console configurator to design your perfect console and control room in. ETA offers enclosures for telecom and data center infrastructure—protecting networking equipment, fiber terminations, power distribution units, and edge computing devices. Our systems, certified to UL, IEC, CE, MSDS, UN38.
