

A collection of solar energy components. In the background, several dark solar panels are stacked. In the foreground, there is a white solar inverter with a digital display and the text "Solar Inverter". To the left of the inverter is a large, white, rectangular battery storage unit with a solar panel mounted on its side. To the left of the battery unit is a black, multi-bay battery storage rack. In the bottom right foreground, there is a green and white solar panel or component.
