

Tunnel Cabinet with Constant Temperature and Humidity Energy Management

Overview

This electric storage cabinet keeps temperature steady between 54–72°F and maintains ideal humidity levels for long-term preservation. Keep insulated tools, PPE, and test instruments within a safe operating envelope. Each climate control. We provide advanced climate controlled systems designed for diverse needs, offering reliable performance from -22 and +131 Fahrenheit (-30°C to +55°C) with constant temperatures of +/-1 K. Key features include humidity regulation, temperature mapping, insulated switch cabinets, and rapid cooling. Designed to meet the demanding requirements for precise humidity and stability, Advanced engineered design incorporates the latest in cabinet, refrigeration, temperature control and monitoring features. Provides energy efficient, convenient, safe and reliable performance for optimal storage. ESPEC ENVIRONMENTAL EQUIPMENT (SHANGHAI) CO. Tel:86-21-51036677 Fax:86-21-63372237 Tel:86-10-64627025 Fax:86-10-64627036 Tel:86-20-83317826 Fax:86-20-83317825 Tel:86-755-83674422 Fax:86-755-83674228 Tel:86-512-68028890 Fax:86-512-68028860 Tel:86-22-26210366 Fax:86-22-26282186. With advanced constant - temperature technology, it precisely controls the internal environment temperature, just like customizing a “constant - temperature room” for collections.

Article Content

Cabinet Type Constant Temperature and Humidity Machine

The SIMN XHH Series represents the pinnacle of precision environmental control technology, combining advanced temperature regulation with intelligent humidity management in a compact cabinet design.

50L Thermoelectric Storage Cabinet – Holds up to 250 Counts, ...

This electric storage cabinet keeps temperature steady between 54–72°F and maintains ideal humidity levels for long-term preservation. Without proper storage, fluctuations in temperature ...

Constant Climate Cabinet

With their highly efficient refrigeration system and outstanding thermal insulation, ESPEC's constant climate cabinets are ideal for use in laboratories and research facilities.

Constant Temperature and Humidity Cabinets

Our climate controlled storage cabinets deliver stable temperature and humidity, so rubber, polymer, and composite materials age slower, inspections pass more ...

HUMIDITY & STABILITY CHAMBERS

Provides energy efficient, convenient, safe and reliable performance for optimal storage temperature. So-low Stability and Humidity Chambers are manufactured with a heavy duty double wall Interior and ...

Temperature Controlled Storage | Climate Controlled ...

At Kardex, we recognize the critical challenges of managing temperature-sensitive goods. With extensive experience in the pharmaceutical, chemicals, and ...

Constant Temperature and Humidity Cabinets | Electrical Tool Storage ...

Our climate controlled storage cabinets deliver stable temperature and humidity, so rubber, polymer, and composite materials age slower, inspections pass more often, and field crews stay ready.

Constant temperature and humidity storage cabinet GNC80HS

Temperature and humidity control system: 7-inch touch screen, the system has the functions of temperature control, humidity control, timing and over-temperature and over-humidity alarm; It is ...

Energy saving constant humidity storage cabinet

Especially suitable for some precious and infrequent cultural relics, for long-term storage and management.

Humidity Cabinets

All cabinets are designed for reliable performance through uniform temperature and humidity stability. Humidity Cabinets through SHEL LAB come in a wide range of models to produce the controlled ...

Temperature Controlled Storage | Climate Controlled Logistics | Kardex

At Kardex, we recognize the critical challenges of managing temperature-sensitive goods. With extensive experience in the pharmaceutical, chemicals, and electronics industries, we provide ...

Temperature management in electrical enclosures and cabinets

Electronic controllers: advanced modules capable of precisely managing both temperature and humidity simultaneously. Among market leaders supplying these components are ...
